

Tigard Public Library's Teen Library Council

Being a member of the Teen Library Council provides you with a chance to exercise your creativity and develop leadership skills.

We meet once or twice each month, usually on a Thursday afternoons, and are always looking for creative and responsible teens in 6th - 12th grades to join our group.

What TLC Does:

- *Help develop teen programs
- *Help plan fun activities and special events for teens (such as Teen Summer Reading & Teen Read Week)
- *Help select library materials (books, movies, music) for teens
- *Write reviews of books, music & movies.
- *Help promote the library as a great place for teens
- *Recruit new TLC members
- *Eat snacks, socialize with other teens, & have fun!

This is a terrific opportunity to become an active leader in your community!
